

PPG Minutes 12th July

Attendees: Catherine Jones, Gill Foott, Nigel Davis, Lynn Stephenson, Jim Riley, Keith Torr, Sally Watson, Carole Ford

Apologies: Rosemary Bell

- Introduction and explanation about our PPG. New members I will send a email with lots of information re our practice.
- Online services – promoting patients to book online, order prescriptions etc. Discussed the digital sessions Julie Saunders (digital & data care coordinator) offers at the library once a week. I have contacted Julie to arrange a digital session for our PPG members who have shown interest, I will let you know further information when I hear back.
- Demographics of our patients – I will breakdown the list further and bring along to our next meeting.
- Flu clinic – we would love if our PPG members could volunteer with marshalling at our flu clinic. I am awaiting the clinic date to be confirmed but likely to be late Sept/Oct time.

Next meeting dates for your diary...

I'd be grateful if between now and our next meeting if you have not done so already to have a look at our website, especially our new PPG section and feedback to me at the next meeting on any improvements we could make and what works well.
