**Organ Donation**

With effect from 15 March 2020, organ donation in England moved to an 'opt out' system. This means that ALL adults in England will be considered to have agreed to be an organ donor when they die unless they have recorded a decision not to donate or are in one of the excluded groups.

Your family will still be approached and your faith, beliefs and culture will continue to be respected.

You still have a choice about whether or not you wish to become a donor.

Please go to the organ donation website for more information: [www.organdonation.nhs.uk](http://www.organdonation.nhs.uk)
