

Action Plan – updated April 2025

Aims of PPG

1. To consult with the GP Practice on the development and provision of community needs;
2. To contribute to and be kept informed of GP Practice decisions;
3. Participate in two-way communication with both the NHS Dorset Integrated Care Board (ICB) and the Practice to positively influence the provision of health services in the locality;
4. Promote the needs of the community by encouraging and supporting activities within the GP Practice to encourage preventative medicine and healthy lifestyle choices;
5. Share news of the work of the PPG through various communication channels to the broader local community;
6. Ensure that patient information and advice are readily available and clearly presented.
